MOVIE SYNOPSIS

THE UNITED STATES VS. BILLIE HOLIDAY

Grammy-nominated singer-songwriter Andra Day delivers a Golden Globe-winning performance as the great Billie Holiday in this biographical drama from Oscar-nominated director Lee Daniels (Precious), depicting the artist's career as she is targeted by the Federal Department of Narcotics.

LAND

Golden Globe-winner Robin Wright (House of Cards) makes her directorial debut in this wilderness drama, starring as a woman with a lost sense of identity looking to regain a sense of self in the isolated American woods. Co-stars Oscar-nominee Demián Bichir (The Hateful Eight).

GODZILLA VS KONG

Kong and Godzilla go head to head in the sequel to Godzilla: King of the Monsters. Alexander Skarsgård (The Legend of Tarzan) and Rebecca Hall (Iron Man 3) lead an ensemble cast including Julian Dennison, Millie Bobby Brown, Kyle Chandler, Brian Tyree Henry and more.

FIRST COW

John Magaro (The Big Short) and Orion Lee (A Brilliant Young Mind) are 19-century fur trappers out to make a fortune in this American drama from Kelly Reichardt (Old Joy), based on co-writer Jonathan Raymond's novel, The Half Life.

TOM & JERRY

Chloë Grace Moretz, Ken Jeong, Michael Peña and Colin Jost (Saturday Night Live) star in this live-action/animated feature that serves as an origin story for the classic Hanna-Barbera characters.

When a new family moves into the house in which Jerry - a small mouse - has been living, Jerry finds himself vying for dominion of his territory with their newly adopted stray cat, Tom.

BLACKBIRD

A family reunites before their terminally ill mum passes away in this bittersweet drama featuring Kate Winslet, Mia Wasikowska (Alice in Wonderland) and Sam Neill.

PETER RABBIT 2: THE RUNAWAY

James Cordon, Rose Byrne, Domhnall Gleeson and director Will Gluck return for the sequel to the 2018 live-action/CGI feature rendition of Beatrix Potter's classic character.

NOBODY

Action-thriller from the writer of John Wick and the director of Hardcore Henry stars Better Call Saul's Bob Odenkirk as an unassuming family man whose appetite for violence is reawakened after a home invasion.

MORTAL KOMBAT

Joe Taslim (The Raid), Mehcad Brooks (TV's Super Girl) and Ludi Lin (Power Rangers) star in this reboot of the video game-based film franchise. Directed by newcomer Simon McQuoid.

THE COURIER

Benedict Cumberbatch leads this Cold War thriller as a spy trying to put an end to the Cuban Missile Crisis with the help of a Russian source. Co-stars Golden Globe and Emmy-winner Rachel Brosnahan.

WRATH OF MAN

Jason Statham stars in this Guy Ritchie action-thriller as a mysterious man named H, a driver for a cash truck company responsible for moving millions of dollars around the city. Based on the 2004 French film Le Convoyeur, the story takes a detour when it's revealed that H isn't as interested in the job as he is in extracting revenge...

COUSINS

Waru directors Briar Grace-Smith and Ainsley Gardiner helm this time-transcending Maori drama based on Patricia Grace's novel about three cousins, separated by circumstance, and their long journey to find each other. Grace-Smith co-stars with Tanea Heke (Waru) and Rachel House.

SIX MINUTES TO MIDNIGHT

A horrific discovery at a school for the daughters of the Nazi elite leads to a series of deadly events in this WW2 drama.

The new English teacher (Izzard) at the Augusta-Victoria College (whose stern headmistress is played by Dench) soon finds himself running for his life from the police when the body of a former teacher is discovered.

NOMADLAND

Frances McDormand leads this Academy award-winner as Fern, a woman who loses everything in the Great Recession and embarks on a journey through the American West as a van-dwelling modern-day nomad.

RAYA AND THE LAST DRAGON

Disney animated fantasy adventure, set in a world called Kumandra, where a warrior searches for the last dragon. From the writer of Crazy Rich Asians, featuring the voices of Kelly Marie Tran (Star Wars: The Last Jedi) and Golden Globe winner Awkwafina (The Farewell).

THE FATHER

Oscar winners Anthony Hopkins and Olivia Colman star in this Academy Award-nominated father-daughter drama centred on an elderly man who refuses assistance - a decision that has him questioning his current circumstances, his loved ones, and even his own mind.
