Tickets and Seating

You must make your own tickets for your guests to redeem their goodies and cinema entry. In some cases, stamps or raffle tickets are just as suitable.

What to expect on the day of your screening

Please arrive 30 minutes or more prior to your screening and ask for the manager, they will check over your booking with you and help with any further support you may need. Your cinema may not be available until up to 10 minutes prior to your screening so encourage your guests to pick up their goodies from the candy bar. You are responsible for who enters your cinema so you may wish to have someone at the door. Once the trailers start you and the manager will count the total admits – The balance is then settled during the trailers unless an invoice is requested. Any late admits will be charged and invoiced.
